## I. SHEPHERD'S VOICE

Dear Fathers, Brothers, Sisters and my dear People,

**Thy Kingdom Come!**

**Greetings in the name of our Lord Jesus Christ!**

The theme of the Jubilee Year 2025 is the *Pilgrims of Hope*. The scriptural quote of the theme is “Hope does not disappoint us” (Rm. 5:5). Hope is the theological virtue that lead us ahead even in the midst of despair and distress. Abraham and Sarah were of old age and had no offsprings of their own, yet they hoped and was born to them Isaac (Gen. 17:15-19). The prophets Isaiah, Jeremiah, Hosea and others had their own limitations and pitfalls, yet they hoped and they were turned to be great prophets (Is. 6:1ff, Jer. 1:4-10). Zachariah and Elizabeth were promised a son while they were in old age. The spark of hope ignited by the angel gave them the flames of hope in their life. They became parents of John the Baptist (Lk. 1:5-25). Five loaves and two fishes were insufficient for people numbering more than five thousand, yet it was sufficient for the whole crowd including women and children. The words of Jesus gave hope to the disciples (Mt. 14:17-19, Mk. 6:31-44, Lk. 9:12-17 & Jn. 6:1-4).

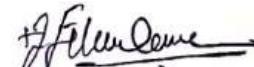

**“Without Jesus there is a hopeless end,  
but with Jesus there is an endless hope”.**

“For God so loved the world that he gave his only begotten Son that whosoever believes in him should not perish but have eternal life” (Jn. 3:16).

“We must not let hope abandon us....  
Optimism disappoints, but hope does not”.

- Pope Francis

### TO CREATE AWARENESS AGAINST VOLUNTARY TERMINATION OF HUMAN LIFE

Dear Fathers, Brothers, Sisters and my dear people,

**Thy Kingdom Come!**  
**Greetings in the name of our Lord Jesus Christ!**

Life is God's gift and we are stewards of life is a general and universal principle. Sacred Scripture in general endorses it and teachings of different religions inexhaustibly affirm it. Every person irrespective of allegiance to any religion or even an atheist accepts this general and universal principle. Indeed life is a free gift from a source that is incomprehensible fully to the human intellect. The life's essence from its inception to its preservation and eventual conclusion, is shrouded in inexplicable complexity. Life is a mystery, we accept, preserve and eventually surrender recognizing the limits of our human existence. Modern medicine has achieved remarkable success in extending human lifespan, yet the creation of new life complexity remains an insurmountable challenge. Naturally this draws us to the conclusion that we have to be in amazement at the mystery of life.

Life is indeed full of mysteries and that's what makes it so fascinating. The unknowns, the twists and turns and surprises that come our way all contribute to the intricate tapestry of life. As ancient Greek philosopher Socrates said “the more I learn, the more I realize how much I don't know”. This awareness of the mystery of life can be a liberating and inspiring force, encouraging us to approach each day with a sense of awe and openness.

In this background we shall briefly analyze the different ways of termination of life, moral principles connected to it and our restricted ownership of life.

Various forms of life-termination exist globally are Abortion, Murder, Euthanasia, Capital Punishment, and Suicide. *Catechism of the Catholic Church* categorically prohibit them and declare them as sin as they violate the fifth commandment – “thou shall not kill” (Ex. 20:13,

Dt. 5:17, Mt. 19:18). Many religious traditions and ethical systems consider taking one's own life or the life of another person to be morally wrong and sinful. For life is precious, holy, sacred and a God's gift. The basic proposition is that God is the source of life and we are only stewards, so we have no ownership and we have to preserve it as God wills. I wish to deal with each of them briefly what Church teaches and the moral principles connected to them.

The Holy Mother Church upholds the following moral principles regarding the termination of life in any form. As stewards of life, we acknowledge God as its divine source.

**Abortion:** A fetus is a human being with right to life from conception, thus making abortion a form of murder. The denial of potential of a fetus to develop into a person is sin as it involves termination of life, the life which is solely a gratuitous gift of God.

**Murder:** It is indeed the act of taking away of some one's life, typically in a premeditated or intentional manner. Church holds the view that even mutilation of life is sinful. Many ethical systems consider murder to be morally wrong. It often emphasizes the importance of respecting human life, dignity and autonomy. Indeed murder is direct violation of fifth commandment of God (Ex. 20:13 & Dt. 5:17).

**Euthanasia:** All human life is inherently valuable and that intentionally ending life, even at the request of the individual is morally wrong. As a result the Church upholds that the person request euthanasia and all who assist in it in one way or another commits sin against life.

**Death Penalty or Capital Punishment:** It is cruel and unusual punishment, a violation of the fundamental right to life. It is totally unacceptable to the Church. The possibility of executing an innocent person is major concerns as mistaken in the justice system are irreversible. The general view of the Church is that life should not prematurely shortened because it is a gift from God. No human person has right neither over one's own life nor on another's life – God is the owner of life and we are its stewards. The concept of stewardship of life – being responsible for managing what God has entrusted to us – is a core theme in the teachings of Holy Bible (1 Pet. 4:10, Col. 3:23, Lk. 16:11, Titus 1:7, Malachi 3:10).

**Suicide:** The moral principle behind suicide is complex and sensitive topic with various perceptions and beliefs. It is morally wrong as it is seen as rejection of God's gift of life. The humanist views it as disrespect to the dignity of life. The Catholic Church teaches that suicide is morally equivalent to murder and is considered a grave offence against fifth commandment.

The above analysis leads us to the conclusion that any form of termination of human life is sin and goes against the will of God. Only the giver of life has the right to take life back. From the Christian perspective there is also an aspect of participation in divine life. "Jesus came to give life and life in fullness" (Jn. 10:10). Through Christ we participate in the divine life and by his death and resurrection Christ assured us eternal life. Indeed our life in the world is a pilgrimage to life everlasting – a blissful life with God Almighty in the heavenly abode. No one has any right to obstruct or hinder life in any way is the basic proposition that Church teaches. God created the world and God has a purpose, and we the humans have to co-operate with God's purpose and fulfill it as God wills. We shall avail the opportunity of the observance of the Year of the Sanctity of Life in our diocese to co-operate with God's plan to create a conscious awareness amongst us and others to respect life and to preserve its sanctity. God bless you all.

Yours devotedly in Christ

**III. CIRCULAR - I****Prot. No. 074/2025****28/03/2025**

To,

All Secretaries of the Societies &  
Other Priests in the diocese of Chanda,

**Sub : Renewal of 12A Registration, reg.****Ref : Intimation from Lancy D'Souza, our auditor.**

Dear Fathers,

**Thy Kingdom Come!**  
**Greetings in the name of our Lord Jesus Christ!**

The cause for me to send this circular is a recent communication that I received from Lancy D'Souza, our auditor. In his letter he reminds everyone with regard to the renewal of 12A Registration. It was done last in 2021, now it is time to start the renewal process. The auditor firm is asking us to do the needful to prepare the documents latest by the beginning of April 2025 so as to start the process on time by September. It is a herculean task and too long process. May I request everyone to be alert and fast in collecting the documents and get ready within the stipulated time frame. All the details with regard to the required documents are given in the communication that we have received from the auditor circulated by Fr. Joseph Kalathil, DFO in our WhatsApp group (Once again it is attached, herewith). Please read it carefully and do all what is required as early as possible. 12A Registration process of Wasa and Balapur Societies are blocked due to lack of activities and for some other reasons as well. If 12A Registration is not renewed, we will have difficulty in renewing FCRA registration. When 12A and FCRA are not obtained, the societies will have to face lots of other problems as well. It can even affect the status of our Societies as a charitable institutions. The few challenges that may follow are: we will

have to pay upto 30% tax for all incomes that we receive, we will be blocked from receiving foreign contributions, once it is lost/not obtained it will be almost impossible to regain/renew it later, we will have to reduce the bulk of social and charitable activities of the diocese etc.

Though the process for renewal of 12A registration and FCRA is too hard and time consuming, may I request all secretaries of the Societies in the diocese and others to help one another to do the task for the good of the Church, diocese and for the welfare of our people. Normally every donor when they donate to a charitable institution/Society they presume that it is wholly benefitted by the beneficiaries. If not, some may be reluctant to help voluntarily the charitable institutions/Societies. Tax exemption is an attraction for many to contribute for the welfare of the poor. And as you know the present context is not very congenial to our activities in different ways, we have to handle these tasks with care, lest it backfires. So may I request every secretary of each society to start working on the process meticulously with the co-operation of others, so that all can learn each step and complete the process within the stipulated time frame. It will be useful for our future renewal process as well. So may request everyone kindly to read the communication from the auditor carefully and do the task with diligent care. The Diocesan Finance Department is ever ready to help you in this regard. Please keep in mind that it is also the time for the preparation of the year ending finance reports and drafting the budget for the upcoming year. The PPT meetings are almost done. Now we have to prepare the change reports and furnish other formalities for the requirement of Charity Commissioner's office. Then please note that in the next year (2026) we have to do the renewal process of FCRA registration. I know the work-load is much, but we have no other way. Once again may I request everyone's co-operation and sincere efforts to do all what is needful for the smooth functioning of our Societies, parish administration, evangelising mission along with our personal engagements and needs.

I am happy to state that our accounting system and submission of accounts have improved so much, and the auditors have appreciated it in their last visit to the diocese. However, I avail the opportunity to remind you about usual pitfalls in accounting that the auditors pointed out such as TDS, cash payment limit, proper bills & vouchers, statutory bid of quotations etc. Thanks to all those who submit the monthly/trimonthly accounts as per the schedule. But there are some obstacles to some for timely account submission. Let us work together to show more dedication and passion for timely account submission. My prayerful wishes to everyone of you.

With warm regards and prayers.

Yours devotedly in Christ

### CIRCULAR - II

Prot. No. 116/2025

06/04/2025

### ON CATECHISING

Dear Fathers, Sisters and Brothers,

**Thy Kingdom Come!**

**Greetings in the name of our Lord Jesus Christ!**

In the light of the discussion and sharing that was done in quinquennial meeting of the diocesan priests this year that I sent this Circular. There was a consensus among priests that we have to focus still more on catechizing of our people. The Jeevotsav Retreat and home mission connected to it have given a boost in re-evangelization. The theme-wise dedication of years that we have started from 2016 is meant to lay a greater focus on re-evangelization and catechizing. Parivarik Prarthana Varsh, Bible Vachan Varsh, Vachana Praghoshan Varsh, Aradhana Varsh, Year of the Decalogue and the Precepts of the Church etc. might have some outcome depending on their effective implementation in parishes and institutions. They need not be restricted to the particular year of dedication, on the other hand they are to be taken in the years ahead as part of our evangelizing mission.

Catechizing is our primary task. Pope Francis emphasizes that catechesis or religious instruction is a vital echo of the Word of God, a space for personal encounter with Jesus and should be delivered in a way that is accessible and joyful, focusing on God's love and freedom. In the Apostolic letter *Laetamur Magnopere*, the foreword, presenting the Catechism of the Catholic Church saint Pope John Paul II wrote: "For an extraordinary commitment to evangelization is urgently needed so that everyone can know and receive the Gospel message and thus grow "to the measure of the stature of the fullness of Christ" (Eph. 4:13-15). Catechizing is a task that we need to continue perennially in our evangelizing

mission. But it is observed that the people have forgotten the basic Catechism. It might be due to lack of regular use. It is good that we provide opportunities to our faithful to use them regularly. Some efforts from our part are highly recommended. A timely reminder is always good to keep the basic prayers of the Church fresh in their minds.

I wish to propose the following to achieve this goal:

- 1) Every Sunday before and/or after the celebration of Holy Qurbana we shall start the practice of recitation of all basic prayers and catechism such as: our Father, Hail Mary, Creed, Ten Commandments, Precepts of the Church, Prayer of repentance, Prayer before confession, Steps for confession, Preparation to receive holy communion, Sacraments and its definition etc. This will take approximately 15 minutes or less. A booklet shall be prepared for this purpose.
- 2) Give more focus on the diocesan level theme-wise dedication of the years in the parishes and institutions. It is primarily meant for direct catechizing on a particular theme. It is a systematic and progressive process in catechizing.
- 3) Every time when village Qurbana is conducted, kindly avail the opportunity to teach basic catechism for fifteen minutes before and/or after the celebration of Holy Qurbana.
- 4) Exhibit bill boards of basic prayers, Bible verse, Quotes from Church documents & Papal teachings etc. in the presbyteries/parish campuses so that they serve as continuous reminders to our faithful and Ad Gentes Evangelization to the visitors/strangers (we have it in our Bishop's Home reception area and in the Cathedral campus).
- 5) Each time when people meet us for their various needs in the parish office or anywhere, kindly avail it an opportunity

to talk about the need and value of catechizing.

- 6) Pay more attention in Sunday Catechism classes of children. It is highly recommended that priests visit children in the classes on regular basis.
- 7) Start regular adult catechism classes in every parish. Do adequate preparation for Holy Communion, Confirmation, Marriage etc.
- 8) Prepare for each parish an annual schedule of basic catechism, catechetical homilies based on Catechism of the Catholic Church, Catechesis Tradentae, Fidei Depositum etc.
- 9) Arrange regular Quiz for students and adults based on Bible and basic catechism.
- 10) Avail social media platform to disseminate Catechism in capsule form, cartoons, flip art etc. and wherever possible use also audio-visual aids for catechizing.
- 11) Use stage presentation for various occasions to communicate Christian message: Drama, dance, one-act-play, group singing, solo, mime, folk art etc.
- 12) Liturgy is the effective means of God-experience. Use variety in liturgy to make the celebration to deepen God-experience and more refreshing for the congregation. This shall be done in accordance with liturgical norms and traditions.
- 13) The short, well prepared, theme based, Bible focused and contextual Sunday homilies are appreciated by the people, young and old alike.
- 14) The acting out Gospel themes, drawings, paintings etc. with catechetical orientation for children and youth may bring out double effect and desired fruit in catechizing.
- 15) Occasional/periodical catechetical seminars in parish level or Zonal level may also serve good.

What is enumerated above are just few suggestions. These are general guidelines, not a one-size-fits-all solution; adapt and implement them as circumstances allow. May I request everyone to use innovative ways and take great initiatives for catechizing in our parishes and institutions. God bless everyone

Yours devotedly in Christ

Watch your actions; they become habits. Watch  
your habits; they become character.  
Watch your character; it becomes your destiny.”

**TRIBUTE TO POPE FRANCIS**

Pope Francis, born Jorge Mario Bergoglio on December 17, 1936, in Buenos Aires, Argentina, is the 266th pope of the Roman Catholic Church and the first from the Americas. He is also the first Jesuit pope and the first non-European pope in over 1,200 years.

**Early Life:** Born in Buenos Aires, Argentina, to Italian immigrant parents, Francis grew up in a working-class neighbourhood and studied in public schools. He obtained a technical certification as a chemist in high school.

**Priesthood:** At 21, Francis fell severely ill with pneumonia and had part of his right lung removed. He entered the novitiate of the Society of Jesus (Jesuits) on March 11, 1958.

**Bishop and Archbishop:** Francis became an auxiliary bishop in 1992 and the Archbishop of Buenos Aires in 1998.

**Papacy:** As pope, Francis was known for his humility, concern for the poor, and commitment to dialogue. He was the first Jesuit pope, the first from the Americas, and the first from the Southern Hemisphere. He resided in the Domus Sanctae Marthae guesthouse instead of the papal apartments.

**Key Focus Areas:** Environmental Stewardship: His 2015 encyclical *Laudato Si'* called for urgent action on climate change and care for "our common home," becoming a cornerstone of Catholic teaching on the environment.

**Social Justice:** He criticized trickle-down economics, consumerism, and overdevelopment, and advocated for the abolition of capital punishment. He had great concern for the migrants and refugees.

**Interfaith Dialogue:** Francis promoted dialogue and inclusivity and encouraged the Catholic Church to be more compassionate to

LGBTQ individuals.

**Encyclicals:** Lumen Fidei (The light of Faith) 2013  
 Laudato Si (Praise be to you) 2015  
 Fratelli Tutti (All brothers) 2020  
 Dilexit Nos (He loved us) 2024

**Legacy:** Pope Francis, a beacon of compassion, humility, and justice, left an indelible mark on the world. He was a symbol of love, forgiveness, and peace, guiding humanity toward greater kindness, understanding, and justice. Pope Francis championed inclusion for individuals with intellectual disabilities and was a fierce advocate for the Special Olympics movement.

Pope Francis passed away on April 21, 2025, at the age of 88, due to cardiac arrest after having a stroke.

**Quotes of Pope Francis**

**A little bit of mercy makes the world less cold and more just.**

---

**If God calls you by name, it means that for God none of us is number, but a face and a heart.**

---

**We are all called to be instruments of God's peace, not just in the church but in the world.**

---

**Freedom consists not in doing what we like, but in having the right to do what we ought.**

## A TRIBUTE TO SR. MICHAEL

*“Precious in the sight of the Lord is the death of his faithful servants” (Ps 116:15)*

Sr. Michael was born on 1 July 1932, in the devout Neerakkal family of the Muttuchira parish in the Diocese of Pala. Sr. Michael, also called Theyyama, was the eldest of fifteen children of late Mr. N. J. Korah and Tresiamma. After the SSLC exam, she joined the SD Congregation. Late Sr. Rose SD, late Sr. Ann SD and Fr. Cyriac Neerakkal OCD are her siblings who embraced religious life.

Sr. Michael made her first profession on 6 January 1953 and perpetual profession on 25 May 1958. She was sent for Teachers Training Course in 1954 at Palluruthy. She served as a teacher at Chunangamvely, Nazareth and Perumanur Schools in Kerala before she was sent to the mission areas. Madras, Jagadhri, Gandhidham, Adilabad, Nirmal, Warangal and Lakkadakot were her fields of mission. Through her selfless service in these mission schools, she became a beloved mother and an effective teacher to countless young hearts. After her retirement, from October 1995 she was residing at Krupadham Provincial House Wardha. During long 27 years of her life at the provinciate, she was engaged in teaching English language and songs to the candidates. She lived her motto “Love Serves” by her round the clock services attending the little details of each sister who comes to provincial house. She was also constant intercessor for the universal Church, suffering humanity, SD Congregation and her dear family members. She had utmost respect for superiors, warmth for all sisters and a soft corner for the youngsters, especially formees. She embraced a life of discipline and devotion, observing every fast and abstinence with reverence and joy. She was ever ready to do night vigil every First Friday along with the community even at the age of 94 igniting new energy and inspiration among the sisters. Sr. Michael would stay updated her knowledge by reading the newspapers and periodicals daily and watching TV news. She showed particular interest in sharing these updates with the community members.

Her health was feeble with Hernia and BP. As she felt much discomfort after the Holy Mass on 2 April 2025, she was taken to Datta Meghe Hospital and from there to Christ Hospital, Chandrapur. On 5<sup>th</sup> April by 9.00 am her condition became critical and Fr. Bipin, Director of Christ Hospital Chandrapur administered the Anointing of the sick. Rt.Rev.Ephrem Nariculam, the Bishop of the Diocese of Chanda visited her by 11.00 am at the hospital and gave his paternal blessing . As there was nothing much to do than palliative care, she was shifted back to Provincial House. On April 6<sup>th</sup> at 9. 30 pm, she bid farewell to us and flew to eternity in a most serene way. The mortal remains of Sr.Michael were taken to Sevagram hospital after the *Office of the Dead*, led by Rev.Fr.Francis and Priests of Darshana, Rev.Fr.Sijo and priests of Claritian Ashram, Rev.Fr.Robinson and priests from parish Church Wardha. On Thursday 10<sup>th</sup> April 2025, the body was brought to the Provincial House in Wardha at 7.00 a.m. Rev.Fr.Jose Manikkathan CMI, Vicar General of the Diocese of Adilabad and various priests and religious from the dioceses of Adilabad and Chanda were present to pay their loving tributes and prayers to Sr.Michael. The funeral service began at 4.30 p.m and the Holy Qurbana was officiated by Rt. Rev. Bishop Ephrem Nariculam, Bishop of Chanda and the mortal remains were taken to the tomb and laid to rest at 6.45 pm.

Dearest Sr. Michael, We are ever grateful to you for your exemplary, selfless and committed services for SD and the people of God during your glorious 71 years of consecrated life in SD. May your memory be a source of inspiration for generations to come! Eternal farewell dearest Sr. Michael!

## THE HOLY FATHER'S PRAYER INTENTIONS ENTRUSTED TO THE WORLDWIDE PRAYER NETWORK FOR THE YEAR 2025

### MAY FOR WORKING CONDITIONS.

Let us pray that through work, each person might find fulfilment, families might be sustained in dignity, and that society might be humanized.

### JUNE THAT THE WORLD MIGHT GROW IN COMPASSION.

Let us pray that each one of us might find consolation in a personal relationship with Jesus, and from his Heart, learn to have compassion on the world.

### JULY FOR FORMATION IN DISCERNMENT.

Let us pray that we might again learn how to discern, to know how to choose paths of life and reject everything that leads us away from Christ and the Gospel.

### AUGUST FOR MUTUAL COEXISTENCE.

Let us pray that societies where coexistence seems more difficult might not succumb to the temptation of confrontation for ethnic, political, religious or ideological reasons.
