

Ref. No. Priests/GR/42/2015

08 May 2015

Dear and Rev. Fathers,

Greetings from the Bishop's House!

1. As the results of the Examinations come in we rejoice at the victories and congratulate the students, the teachers, the headmasters, parents, and all those who stood by our students and we also thank everyone of them for having brought credit to our schools.

2. For most of our students who have passed the plus two examinations, it is time to think about admission into colleges.

Our Thuckalay Diocese can now boast of our well-established St. Alphonsa College, and I exhort everyone of you to **ask our students to enrol themselves into our St. Alphonsa College**. Students belonging to our Diocese will definitely be given preference and priority.

Towards this I ask you dear Fathers to **kindly announce to our faithful, the availability of seats in our St. Alphonsa College** and to procure the prospectus and application form from our college. Application forms have been made available from 6th of May 2015.

3. There are **posts available** for those who seek career as **Teachers of Arts and Science** in our college, and kindly promote worthy candidates and especially from our institutions.

4. Kindly note that the Gana Mela planned for 10 May 2015, has been postponed to 12 July 2015. This postponement is to facilitate a better and smooth conduct of the Gana Mela with adequate preparations. Please announce this change to our people in the parishes and to those who wish to participate.

Let us work together to build up our people and the blessings of God are always upon us.

Yours in Christ,

+ George Rajendran SDB
Bishop of Thuckalay
