

Ref. No. Priest| 25|2014

Dated 4 June 2014

Dear Fathers and Sisters,

Greetings from Bishop's House! I am happy to share with you some good news from the Diocese.

#### PULARI OFFSET PRINTING PRESS

We are going to have a simple inauguration of Pulari Offset Printing Press on 8 June 2014 at 12.00 pm at Bishop's House Shopping Complex, Thuckalay. I request your prayers for its success. All those who are able to come to attend the programme, you are most welcome! We wish God's blessings upon Fr Ginoy, the Director and Fr Alex Puthettu, the Assistant Director as they are going to guide the destiny of this new venture.

It is another milestone in the annals of the Diocese. We need the cooperation and collaboration of all the Fathers and Religious of the Diocese for its success. I request you to give all your printing works of your Parishes and Schools, whether run by the Diocese or the Religious, to our own Press. This will be one of the concrete ways we can help this new venture to grow. The Director will come to all the Parishes and Schools in person to collect orders. Kindly cooperate with him.

#### BLESSING OF ST ALPHONSA COLLEGE

After all the hectic planning, long preparations and considerable period of waiting, finally we are going to inaugurate the St. Alphonsa College on 8 June 2014. It's our College. There will be no formal invitation send to you. The inaugural programme is a family affair. However, the College team will send out formal invitations to all those people who were directly involved in the project.

I request all of you dear fathers and sisters to attend the program. Do not forget to bring as many of your Parishioners as possible for the programme especially from Soosaipuram Forane. Kindly avoid any programs which requires your presence on 8 June afternoon.
