### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days.

The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.

God Bless You,

### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days.

The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days.

The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.

### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days.

The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.

### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days. The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice

- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.

### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

Dear Fr.Tinu Kattackaparampil CMI,

Prayerful greetings from the Bishop's House!

### **THUCKALAY MISSION AD GENTES**

We had celebrated the World Mission Sunday recently and reflected on the message of the Holy Father. He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born "to go forth". It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days. The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.

God Bless You,

He says, all the members of the Church are called to participate in the mission of the Church, for the Church is missionary by her very nature: she was born “to go forth”. It is a celebration of joy, because Jesus Christ, the Father's Son, sent to evangelize the world, supports and accompanies our missionary efforts. This joy of Jesus and of the missionary disciples leads me to propose a biblical icon, which we find in the Gospel of Luke (cf. 10:21-23). Therefore, the Mission *ad gentes* continue to be the most urgent need of our diocese. Time and again we have reflected on this matter of expanding our missions and founding new missions during our priest conferences and also in the pastoral councils. Now it is time for us to take a concrete step.

The *Thiruthondu Panikuzhu* (mission work) of pastoral council is directly involved in studying the possibility of forming new missions. For this you are requested to select five worthy and capable members from your parish for missionary work and forward the names to Rev. Thomas Thuckalay, the mission coordinator, before November 24, 2014. Dear father take this request seriously and form a *Thiruthondu Panikuzhu* in your parish.

### **PARISH LEVEL LITURGY COMMITTEE**

In most of our parishes the liturgical activities are not organised properly, we tend to do things at the last moment and entrust the responsibility to anyone whom we prefer. For this reason it was proposed in the Pastoral council to form a Parish Level Liturgical Committee comprising of five to seven members who would plan and help out in the liturgy on Sundays and feast days. The committee can:

- ❖ Prepare the altar servers for better celebration of the Eucharist
- ❖ Clean the altar servers dress, keep the altar and sanctuary in order
- ❖ Prepare monthly Readers' and Servers' list and give practice
- ❖ Animate the special mass (Introduction, Karosuza, etc)
- ❖ Organize to celebrate Birthdays, Feast days, Anniversaries and Jubilees of families at the altar
- ❖ Announce the change of liturgical season
- ❖ Solemnise feast days etc.

For further information kindly contact Rev. Fr. Justin, the director of liturgical commission.
